BAPTIST RESOURCE NETWORK

COMING

SAVE THE DATE!

2 DAYS

12-15 PROJECTS

Baptist Resource Network churches are invited to serve downtown Erie, the poorest zip code in the United States.

The BRN is identifying the communities' most pressing needs in partnership with these three churches:

- » Harborcreek Community Church
- » Millcreek Community Church
- » Walnut Creek Baptist Church

Projects will go live in July 2024. These projects include opportunities, such as evangelism, light construction, work with immigrants, mobile grill outreach, school and community beautification, and more!

The residual effect of bringing a team to Serve Tour Philly has paid off big dividends at our church ... You get more out of it than what you put into it!"
